

Our Lady of the Sacred Heart Faith Formation
Christian Service Report – Grades 6 -10; 2023 - 2024

Called by our Baptism to serve one another.

Students in grades 6 -10 are required to have a minimum of **5** service hours completed each year. You may do 5 hours at one time or split it up among various service projects. These may be done within the Parish or in the community. Different service opportunities will be sent home and as others come up, you will be notified either in class or by e-mail. If you choose to complete your hours with something that is not listed, just check with the office, in most cases it is fine. You may return this form as you complete your service or when you have completed all 5 hours. Return to the Faith Formation office. Thank you!

**Please remember that Christian service is the extra effort we give above and beyond the things we should normally be doing. (You should not put down things such as babysitting siblings or other household chores)*
